Sir:

**REQUEST FOR RECONSIDERATION**

In follow-up to a telephone conversation between Applicants' undersigned counsel and Examiner Addie on June 9, 2009, Applicants respectfully request reconsideration of two items as listed and discussed below.

**Request for Corrected Filing Date and Filing Receipt**

As originally requested in a paper filed on December 8, 2006, Applicants request that the filing date of the present application be corrected from October 19, 2006 to December 15, 2005. The Examiner is referred to the details contained in the original request made in the paper filed on December 8, 2006.

**Request for Acknowledgement of Priority Claims**

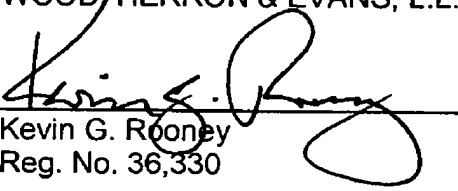

The Examiner indicated on the Notice of Allowability that the priority document associated with the present application was not received by the U.S. Patent and Trademark Office. However, the Notice of Acceptance issued by the U.S. Patent and Trademark Office on November 28, 2006 specifically indicates that the U.S. Patent and Trademark Office received the priority documents on October 19, 2006. Therefore, Applicants respectfully request acknowledgement to the effect.

If there is any further matter that the Examiner would like to discuss, he is invited to contact Applicants' undersigned counsel to promptly resolve the same.

Applicants do not believe that any fees are due in connection with this submission. However, if such petition is due or any fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
